Alice,

It appears that an attorney for Roman Asphalt is not in the various lists of parties that have been compiled and they did not attend the meeting. Do you have contact information for their attorneys? Thank you.

Judy

Subject: Sign-in sheet for today's meeting

Attached is the spreadsheet of attendees for today's meeting, with all information written onto the hard copies filled in. Note that some of the addresses were hard to read, so please exercise caution when using them. The phone numbers and e-mails were reasonably clear.

I also filled in the information from the phone participants, although I suspect some signed on after roll call, so those were not reflected. The "?" in the columns means that that person registered to attend the meeting but did not sign in as being present.

Note: Please use the first tab of the spreadsheet, named "Master-corrected after mtg".

For completeness, the following EPA/DOJ staff were at the meeting's beginning and end:

- Eric Wilson, EPA
- Sarah Flanagan, EPA
- Juan Fajardo, EPA
- Kate DeLuca, EPA
- Alice Yeh, EPA
- Laura Rowley, DOJ
- Brian Donohue, DOJ (by phone)
